WEST NOTES

(From Our Own Correspondent)

The Runby Anglican W.A. met at the home of Mrs. B. Smith on Tuesday of last week with a goodly number of members present. A quilt was sewn for a mission school and sewing and knitting was turned in. Aprons donated by a member were sold and the money will be sent to the Dorcas secretary in Calgary. The next meeting will be held at the home of Mrs. McCullen Sr.

Mrs. C. Byrt has been visiting her sister, Mrs. J. Toole, in Lacombe for the past week.

Mr. and Mrs. G. Befus returned from Yorkton on Friday, where they had been visiting with the latter's parents for a week.

Mr. and Mrs. A. L. Hogg were Calgary visitors on Wednesday.

Mr. and Mrs. J. Baughaw visited with Mr. and Mrs. F. Byrt at Madden on Wednesday.

Mrs. Les Evans went to Lacombe on Sunday by train to bring back her two small nephews who had been spending the holidays with relatives there.

A very successful miscellaneous shower was held in the Elktion school on Friday evening in honor of Miss Shirley Dodderidge and Mr. Cecil Papke, who are to be married May 8. Mrs. H. Goelzen, Miss Vera Befus and Mr. Cecil Papke entertained with songs and there were contests and tricks. Mr. A. L. Hogg, as master of ceremonies, introduced the happy couple, seated under an umbrella containing confetti, which was tipped at an appropriate moment. Gloria Swanson of Sundre and Marjorie Goelzen of Big Prairie assisted the bride-to-be open her gifts. Shirley and Cec thanked all those who took part and the a lovely lunch was served by the hostesses.

We are sorry to hear that Mrs. Byrt Sr. is a patient in the Didsbury hospital and hope she will soon be up and about again.

Despite the fact that the calendar shows a late April date it looks more like January with piles of snow and heavy icicles hanging from the roofs, cars, etc.

Mr. and Mrs. R. Crozier of Edmonton spent the Easter weekend with Mrs. Byrt and Mr. and Mrs. J. Baughaw.

Mr. and Mrs. V. Snyder were overnight guests with Mr. and Mrs. E. W. Lowrie.

Shown above are the controversial figures, Rita Hayworth and Dick Haymes, on a holiday trip in Florida. During the past few days the same

two have been hitting the headlines in leading newspapers as the result of a charge made against Rita regarding neglect of her two children.

Pioneer Installs New 'Lino' This Week; We're Late!

CALICO BALL FRIDAY NIGHT VERY SUCCESSFUL

The annual Calico Ball held by St. Hilda's Chapter, O.E.S., last Friday night was its usual unqualified success and to say the least anyone who attended were well rewarded for their effort in venturing out in our "spring weather."

Prizes during the evening went to the following:

Best dressed couple: Mr. and Mrs. Bill Weidner.

Best Home-made Dress: 1st, Miss Hineheim; 2nd, Mrs. Joyce Mullen.

Best Ready-made Dress: 1st, Mrs. Lester Krebs; 2nd, Mrs. B. Rinehart.

Stop Dance Prize: Miss Ellis Devine, Mr. Stan Devolin.

However, with the volunteer help of many friends here and elsewhere, and with the use of a good winch truck from a local contractor, we were able to transport the machine in question to our plant by Sunday morning.

Monday was taken up with the assembling of said machine, and with approximately 3,000 moving parts it is a job which cannot be accomplished in a few minutes.

Even now, although the type you are reading has been set on the new "lino", there are adjustments of a minor nature to be made and it will take a little overtime yet to get us in the position where we can give our subscribers and advertisers the service they are paying for.

By the weekend, with a bit of luck and the help of a machinist for tuning up purposes, we hope to be in full swing and back on a regular schedule.

Until then we cannot invite you in to see our "new baby" but any and all are quite welcome to come and check over our layout and see just how your paper is read, once we get really organized again.

This certainly isn't the best paper published from this office but conditions mentioned above and the time element forced us to do what we could with the time and equipment we had at our disposal.

Again we say we're sorry, but we will be there ON TIME next week!

Thursday afternoon Mrs. Geo. Meyer entertained in honor of her grand daughter, Laura O'Brien on her seventh birthday.

Marion Polkmann was a recent overnight guest of Donna Dippel. Carole Dippel was also a recent overnight guest with Helen Polkmann.

Mr. and Mrs. Ernie Good and family, Mrs. G. Weber and Mr. Donald Weber were Sunday dinner guests of Mr. and Mrs. John Sayer of Carstairs.

Sunday dinner guests of Mr. and Mrs. Carl Meyer and family were Mrs. G. Meyer and George, Mr. Fred Meyer, Miss Charlene Hilebrecht, Mr. and Mrs. E. A. Barts and Arlene.

Mr. Jack Meyer left for Edmonton and Miss Charlene Hilebrecht returned to Calgary Sunday.

Mrs. George Dippel and Harold, Mr. and Mrs. M. Dippel and Carol were Sunday dinner guests of Mr. and Mrs. E. N. Boettger.

WESTCOTT NEWS

(From Our Own Correspondent)

Word was received by the Panko family, of which Mrs. Goelzen of Westcott is a daughter, of the death of their 89-year-old grandfather, Mr. Julius Porath at Westlock, Alberta, last Wednesday.

Mr. and Mrs. Roy Sanderson are the proud parents of a son, born April 23rd in Calgary — Patrick Ray.

Mr. and Mrs. Ken Card of Calgary spent last weekend at the home of the latter's parents, Mr. and Mrs. Herb Goelzen.

Master Jimmy Toppins has been quite ill with mumps and had to have medical attention at the weekend.

The young nephew of Mr. and Mrs. Ted Topping of Calgary spent the Easter holidays with them on the farm here.

Mr. and Mrs. W. V. Lawrence of Oakland, Calif., motored up to attend the funeral of the latter's father at Westlock and stopped in the district to visit on the way north. They made very good time until reaching Southern Alberta where they got into the weekend storm and from there on driving was hazardous.

Mr. and Mrs. Robert Hughes spent the weekend in Calgary, while Miss Phyllis Hughes of Calgary spent the same period at home here with her parents, Mr. and Mrs. J. Hughes.

It has been judged, by those who are supposed to know, that over one foot of snow has fallen in the area over the last few days, and what looked like an early spring is now a long way off. Should the weather continue it will certainly make things a lot more difficult for the farmers.

family of Balzac spent the weekend at the home of Jay's parents.

Mrs. M. Cowitz is visiting at present at the home of her son, Alvie, in Calgary.

WEDDINGS

CORNFORTH — BROADHURST

A double-ring ceremony was solemnized in Knox Church, Didsbury on Tuesday, April 27th, when Winnifred Nichol Broadhurst, youngest daughter of the late Mr. and Mrs. Broadhurst of Didsbury, was united in marriage with Mr. Benjamin Cornforth, son of Mr. and Mrs. A. Cornforth of Lindsay, Ont. Rev. Armstrong performed the ceremony.

The bride, given in marriage by her brother, Bill, was married in a floor-length gown of nylon net over slipper satin, with lace bodice and lily point sleeves. Her shoulder-length veil was held in place by a triple strand of pearls and carried a cascade bouquet of red roses.

Mrs. Justine Hamilton, as matron of honor, was gowned in blue and carried a bouquet of yellow carnations and roses.

The groom was attended by his brother, Joe Cornforth. Douglas Broadhurst and Ivan Cornforth acted as ushers. Miss Margaret Robertson was organist, dressed in a rose gown, complemented with a corsage of white carnations.

Following the ceremony a reception was held in the church basement for 35 guests. Mrs. Della Brown, sister of the bride, and Mrs. Ruby Bachelder, sister of the groom, received the guests with the bridal couple. Mrs. Brown wore a grey figured nylon dress with white accessories and a corsage of white carnations.

The bride's table was centred with a 3-tiered wedding cake flanked by candles. Spring flowers and candles completed the decorations. Rev. Armstrong proposed the toast to the bride, to which the groom responded.

Immediately following the reception Mr. and Mrs. Cornforth left for a honeymoon trip to Ontario. For travelling the bride wore a mauve suit with pink and navy accessories and a corsage of pink carnations.

On their return Mr. and Mrs. Cornforth will reside at Nanton.

Melvin W.I. April Meeting

The Melvin W.I. met last week at the home of Mrs. L. Chandler, with an attendance of twelve members and three visitors. Roll call was hints on early morning.

A letter of appreciation from the Junior Red Cross Hospital was read thanking our group for the gift of Christmas card scrap books. The secretary also read a report on the Drumheller conference sent by the district convenor.

Mrs. Lynch-Staunton, guest speaker on Civil Defence, spoke on fire precautions and methods of fire fighting. She stated that 80% of all property damage is caused by fire.

A telephone whist and bridge drive was planned in order to raise funds for a substantial contribution to the Red Cross drive, parties to all be completed by May 1st.

A delicious lunch was served at the close of the meeting.

COFFEE SALES DOWN

Snowballing consumer resistance is hitting hard at Canadian and at Canadian and U.S. Coffee sales.

One Canadian company reports a drop of 50 per cent. Sales of instant coffee, however, appear to be increasing as consumers tighten purse strings.

In the U.S. a number of industry heads have told an investigating Senate committee that sales have slipped suddenly by between 10 and 20 per cent.

It's still too early to tell whether Canadian coffee prices are going to stabilize at the present record high level of about \$1.35 for most major brands and 10 to 15 cents per pound less for chain store lines.

MRS. G. YOUNGS RESIGNS AS SECRETARY OF WESTCOTT UNITED CHURCH W.A.

Thirteen members and two visitors were present at the home of Mrs. Ruth Johnson for the April meeting of the Westcott W.A.

Scripture reading was given by Mrs. R. McParlane, and which was "Mary and Martha at the Grave of Jesus." Devotional on "The Risen Christ" was given by Mrs. Jack Robertson.

Roll call was an "Easter Thought." Mrs. Alex Robertson gave an interesting introduction to the new Christian Citizenship Booklet.

The resignation of Mrs. G. Youngs, due to leaving on an extended trip was gratefully accepted and Mrs. Cliff Ekstrand was appointed to that position.

Meeting closed with "Bless Be The Tie" and benediction by Rev. C. C. Armstrong.

WEST DIDSBURY CAFE CLUB HOLDS REGULAR MEETING

A very enjoyable afternoon was spent at Roy McNaughton's on April 23 by the members of the West Didsbury Calf Club. The visitors accompanied the members to the barn where the members judged a class of Aberdeen Angus heifers, after which Mr. McNaughton gave the correct placings.

The meeting was then called to order and very interesting reports were given by Norman Clarke, who discussed "Good Basic for Computing Ratios"; Rodger Hoesgood talked on the "Problems of Housed Cattle"; Marjorie Bud discussed "Beef Type" and Larry Gilrine told of the best way to wash and curl a calf.

During the business meeting it was decided to buy sweaters with the 4-H crest on them. Mr. McPard suggested that a banner be made for achievement day on June 4. Donald Blain volunteered to make it.

Through The Study Window

By REV. C. C. ARMSTRONG

I have been reading up on the model town of Kiltmatt, B.C. According to the reporter, Kiltmatt has been planned "to the last picture window, the first cemetery". The planners included experts in municipal government finance, education, health recreation, parks, weather, landscaping, mosquito control, engineering, utilities, religion, child welfare and family living.

It is interesting to note that religion appears in the same list as mosquito control, utilities and shopping centres. Of course the author was simply listing the numerous things without in any way trying to evaluate their relative importance. Just the same, the entire article pays much more attention to mosquitoes than it does to mosques, and more to mass production than to mass of the religious type.

Many of us are disposed to lump religion along with the rest as just one more of the things that a model community ought to have. There are those who would not care to live in a town without a church, but take no personal part in making church life possible. Perhaps they feel that religion and the church need not necessarily go together.

Purely for our own personal edification, and without any desire to get any statistical information on the subject, it might prove a very helpful spiritual discipline not only to list the elements that must go into a model community but also list them according to our own notions of priority, of relative importance. Then having done that, exchange our own list with someone else.

Perhaps we wonder about the wording of the Ten Commandments, wherein God describes Himself as a jealous God. It simply means that God is not content to be listed among other "desirable more or less essential things" in life. God claims the place of first priority. Without in any way denying the importance of mosquito control, the zealous Christian believes that God-control takes precedence.

Marketing Co-op. To Pay 10c Dividend

The annual report of the Mt. View Co-operative Livestock Marketing Association which has its headquarters at Olds, was released this week and the date of the annual meeting has been set for Saturday, May 1st at the Legion Hall, Olds.

Gross returns of the association for the year ending December 31, 1953, were \$1,612,810.16 and of this amount \$1,573,485.46 was paid to contributors. Expenses for the year were \$34,146.14 and the net surplus showed \$2,804.96 on hand.

The association markets cattle, hogs and sheep and as usual the largest income over the whole marketing area is derived from hogs. This year gross returns from this item amounted to \$1,432,207.39 with 32,242 being held at selling weight of \$5,252.822.

Cattle sold were 1,300 representing 1,130,770 lbs. and bringing cash only of \$164,508.05.

Sheep reached a total of 920 head with a selling weight of 92,680 lbs. and bringing a gross of \$16,094.72.

The annual meeting this year will be favored by a special speaker in the person of Dr. H.T. Froese of Lacombe, who will also show slides depicting bacon grading.

Overhead for the entire association, which has branches at Sundre, Bowden, Red Deer, Innisfail and Didsbury, was only \$10,431.69.

The directors of the Mountain View Co-operative Livestock Marketing Association, Ltd. have declared a dividend of 10c payable on hogs delivered during 1953. This dividend is going out immediately to all contributors.

In addition to the dividend payment, financial statements are being mailed to nearly all who shipped livestock through the local Co-op. during 1953.

In our effort to be broad minded and tolerant, in our attempts to avoid sectarian strife and denominational rivalry, we have all but eliminated religious instruction and religious concepts from the public mind. Why should we feel free to talk about aluminum than about Alleluia...

U.M. Church Y.W.M.S. Has Successful Year

The U.M. Church Y.W.M.S. has had a very successful year. During the year 40 pounds of bandages were rolled, a very important item to the missionaries. Several quilts were made and presented to pastor's wives and missionaries.

Enough old woollens were collected for nine blankets, which were sent to needy families and for over seas relief. Several layettes were made for pastor's wives and for the Beulah Home at Edmonton. Forty four aprons were made for the Beulah Home's annual tea and sale and boxes of clothing were packed and sent to the "Jeans" on the Indian reserve at Nordog.

Showers were also held for the outgoing missionaries and help given toward getting their outfit ready.

Each meeting has been well attended and we hope for continued good results next year.

Westcott Jr. W.I. April Meeting

Westcott Jr. W.I. held its April meeting at the home of Mrs. Bill Weidner, Thursday evening, April 15th.

The meeting took the form of a quilting bee. The jelly roll contest was won by Mrs. B. Reinhardt, with Mrs. B. Weidner second and Mrs. H. Wilschusen third.

Next meeting will be held at the home of Mrs. C. Topping, Wednesday, May 19th.

WESTERDALE NEWS

(From Our Own Correspondent)

Intended for last week)

The April meeting of the Willing Workers was held at the home of Mrs. E. Jackson last Wednesday afternoon, with eleven members and five visitors present. Roll call was answered with "A Home-made Easter Hat". The treasurer reported that \$25.87 was received through the sale of coffee and doughnuts at the auction sale of Mr. E. Jackson. Also that approximately \$90.00 has been received from the whist and croquinolette parties. Arrangements were made to have the final whist party on April 20th, at the hall, with a door prize as added attraction.

After a lengthy discussion it was agreed that two and a half yards of broadcloth be purchased to provide blocks for each member to apply for a quilt, to be made in the hall.

The tea money hostess prize was won by Miss Madge Backous.

The bit of fun was supplied by Mrs. Bolton and was won by Mrs. W. Herbert.

The next meeting will be held at the home of Mrs. H. Jackson on May 12th.

Mrs. J.P. Schrader returned home Friday from an extended trip to Eastern Canada and also a visit with her son, Bob, in Montana.

Miss Greta Keshan spent Monday and Tuesday of this week at her home here.

Miss Norma Buckley of the Composite High School at Red Deer is also at her home here for the Easter holidays.

Population Could Greatly Increase

It would not be surprising if Canada doubled its population of 15 million in the next 40 years. That statement was made by Frank W. Nolstein, director, office of public research, Princeton University, in the United States.

He states that such rapid growth will be good for Canada but will entail some cost. An increase of 2 per cent per year would require the expansion of durable facilities at an equal rate. Homes, roads, schools, and stores and factories—in short, the production of all goods and services—would have to increase at the same rate just to avoid a drop in income per person. Increases in average income per person would require that production must expand more rapidly than population.

Professor Nolstein says that at present Canada has too small a population to take advantage of the economies of large-scale production and of a balanced economy. The nation is selling abroad too large a proportion of its agricultural production and industrial raw materials and importing too many manufactured goods in his opinion. With a larger population and bigger home markets more domestic processing of raw materials could be done, thus avoiding considerable cost of transportation in the export and import trade. A larger population would permit a better balance between agriculture and industry and a reduction of costs all around.

HOW'S THE IMMIGRANT WORKER?

A recent survey has checked what industry thinks of the new Canadian employee. Here are some of the views:

Manual laborers without specialized training do not wish to change jobs often, prefer to settle down to a good average job. This differs from Canadian agriculture's experience; immigrant farm workers don't average very long in one job.

Skilled workers and technicians may be inclined to change jobs more frequently. They often find that European industry's ways of doing things are not North American ways.

Most new Canadians have a sincere desire to do a good day's work. Some do not have the skills they think or say they have. Take the man who says he's a butcher. He may mean only that he often used to butcher meat for his own or friends' use. A packhouse may set the impression—completely unintended—he is an expert in the trade.

WALTER LEAGUE HOLDS REGULAR MEETING

The regular meeting of the Walter League, held at the home of Mary Page on Friday, April 23, was a very successful one. The meeting was opened by the reading of Psalm 133 and a prayer, opened the April 23rd meeting of the Walter League. Rev. Fox led the singing of "I'm a Christian" and "I'm a Christian".

It was decided to purchase additional curtains for the Sunday school room and also to provide for church use. A vote of thanks was passed to J. V. Bennett & Sons for the use of their new kitchen. The meeting closed with the Walter League Song and the Lord's Prayer.

LOVE PINE ORIOLES REGULAR MEETING

The regular meeting of Love Pine Orioles Club was held at the home of Mary Page on Friday, April 23. The meeting started with the singing of songs and the reading of the creed. Roll call was answered with flowers seeds and there were 13 members present.

The treasurer gave her report, followed by an interesting topic on paper flowers by Mrs. Sprague. The ten-cent draw, which netted \$27.00, was won by Mary Page. The "bit of fun" was given by Mary Page and was won by Patsy Sprague for seniors and Beverly Thompson for juniors.

Spring Fever Is Late This Year

Among the sure and certain signs of spring is that calculating far-away look that comes into the little women's eyes as the first breath of warm air wafts over the meadow and the frogs begin to stir in the damp home that has been their winter retreat. Presently the frogs are still hiding and spring has yet to arrive in Alberta, and a lot of other places, but that look is still there.

Whether or not the furniture and other arrangements at home are as you like them, they won't be there long once that look comes across your face. Some night soon you will arrive home and your favorite chair will have moved from the front of the living room, under the window, to a far back corner. It MAY even have moved to the back porch if it happened to be a little ancient. Tables will have usurped the place of comfortable seats, and they will be dusted within an inch of their lives and lovely bouquets of flowers will sit upon them—just where the light was best for reading.

All those papers which you had saved and the magazines still not touched, will have left the shelves, along with some old clothes, which really had nothing wrong with them. The windows will sparkle in the sunshine, that old can of tobacco, successfully hidden in a corner behind the curtain all winter, will be no more, and it is just possible that more recent purchases will have followed suit.

Curtains will have that almost new look that is imparted by the cleaner; the rug will be shampooed to a state of newness and you will be the foot that treads it still shod in a wet galosh.

All this cannot happen here right now—but there is no doubt it will happen very shortly. It will prove our point better when those

Old-Time Teacher Dies April 17th

Patrick B. Rose, 72, of Edmonton, died on Saturday, April 17 following a short illness. Mr. Rose was well known in golfing and curling circles and had been a teacher for 50 years until his retirement in 1948. Services were held on Monday, April 19 and interment took place in the Mount Pleasant cemetery.

Mr. Rose was born in Edinburgh, Scotland, and came to Canada at the age of four. His parents, settled at Elora, Ont., south of London. He came to Alberta in 1903 and started teaching at Didsbury. In 1907 he moved to Edmonton and became a teacher at an Edmonton business college.

He is survived by his widow, three sons, and four grandchildren, as well as three brothers and two sisters.

CHRISTIAN SCIENCE

How the selfishness and egotism which would impede man's spiritual progress can be overcome through obedience to God, divine Love, will be brought out at Christian Science services on Sunday. The Lesson-Sermon entitled "Everlasting Punishment," includes the following verses from the King James version of the Bible: "As many as I love, I rebuke and chasten: be zealous therefore, and repent. Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me" (Revelation 3: 19, 20).

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the following passage will be read: "In patient obedience to a patient God, let us labor to dissolve with the universal solvent of Love the adamant of error—self-will, self-justification, and self-love—which wars against spirituality and is the law of sin and death" (242: 15). The Golden Text is from Job: "Surely it is meet to be said unto God, I have borne chastisement. I will not offend any more" (34: 31).

Civil Service Out Of Line?

Canada's civil service has grown enormously in the last 15 years, and it is continuing to grow. During the height of the war, when all sorts of special services like rationing were set up, about 115,000 people received their pay cheques from Ottawa. By 1950 the total had moved up to 125,000.

By last December, regular employees totalled over 135,000, and altogether 170,000 people were on the government roll.

This country has grown mightily in population, wealth and industry since 1939. But does an increase of 40 per cent in population justify a 200 per cent expansion in regular civil service, even with the most generous allowance for new government services established since the war?

If we go on at this rate — a thousand and a month were added to the national payroll last year — then government, already by far the biggest single employer in the country, may become the only one.

KNOX UNITED EVENING GROUP MEETS AT MRS. SORENSON'S

Knox United Church W. A. Evening Group, met at the home of Mrs. C. L. Sorenson on Monday, April 26, with 17 members present.

Devotional was taken by Mrs. C. C. Armstrong. Roll call was answered by "Sing, Say or Pay."

Mrs. Armstrong, speaking on "Know Your Church," explained "The Crest of the United Church," for the benefit of those who were not present at the January meeting.

Plans were made for the catering billoting of the delegates of the Red Deer Presbytery, to be held in Didsbury on Wednesday and Thursday, May 12th and 13th.

The "bit of fun" was given by Mrs. Goeche. The next meeting will be held at the home of Mrs. J. Shannon on Monday, May 31st.

Man's Greatest Achievement

When man first learned to separate the different sounds he could make with his mouth, and combine them into words, he discovered the secret that distinguishes him from all other living creatures; and made possible all the progress he has made beyond that of any other animal.

For making words was the first step in intelligent communication with his fellows, in the comparing of ideas, the adding together of the thoughts of all, and the beginning of reason.

The invention of writing and later of printing were wonderful as means of putting thoughts on paper or stone; but the formation of words was the beginning of knowledge.

It has always been, and still is, the only means by which men can be swayed.

The greatest Englishman of all time was Shakespeare, the master of language. The outstanding man of the present century, who rallied the unprepared world to resist the onslaught of Hitler's hordes, was Churchill — the master of language.

Yet there are those among our educators who would relegate the study of language to a minor position in our school curricula.

It is not surprising that some men would exchange the vital things of life for the unimportant. But it is surprising to see such men in control of our educational system.

MORE CHURCH BUILDING

Church construction in Canada in 1954 is expected to be about \$34 millions, almost equal to construction indicated for chain stores.

Included in the \$34 millions is about \$28 millions for new space, and about \$6 millions for repair and maintenance.

Bottleneck on church building programs is lack of organizing personnel to quite an extent. The difficulty of getting enough mortgage money to match the money members will put up, is another.

A frequent complaint is that subdividers just do not think of churches and consequently the churches have to buy residential lots in the open market.

CONSERVATION

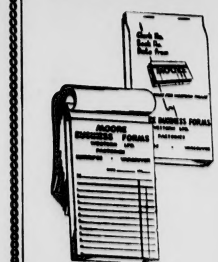

Common to all Canada is the current problem of conservation. Which is not to say that it follows the same pattern, because while the old settled sections of the east are struggling to replace thoughtless waste of natural resources, which followed the cutting of the forests and settling the land, the outposts of today are trying not to commit the offences and to plan ahead for the generations who will have to live when the wealth of today has been harvested and spent.

Conservation is sometimes described as an inadequate term for the many activities which it embraces. But it is not so far off at that. In the early days of Canada, our grandmothers made a special preserve called a "conserve". It embraced the riches of the harvest of fruits, tied it all up together and added a sufficient quantity of sugar to make sure that it would keep against the cold days of winter when fresh fruit was not available.

She used it up during the winter, but in her thrifty habits as housewife and gardener she still had, year after year, the fruits from the well tended bushes from which to make her "conserve".

The preservation of these natural resources is the first duty of those who are organized these days under the banner of conservation. They will make good farms, fine forests, beautiful parks which will be used and still preserved for generations to come. They will be the best fruits of the conservation movement: "done down" for the perpetual use and enjoyment of Canadians.

WEDDINGS

GILLRIE — RINGHEIM

A very pretty double-ring wedding ceremony was solemnized in Knox United Church, Didsbury, on Monday, April 19, when Dorothy Doreene Ringheim, daughter of Mr. and Mrs. H. M. Ringheim of Didsbury, was united in holy matrimony with Walter Dore Gillrie, son of Mr. and Mrs. R. E. Gillrie of Didsbury.

Rev. C. C. Armstrong, conducted the service in the presence of a large number of relatives and friends from both near and far.

The bride was given in marriage by her father before an altar beautifully decorated with Easter lilies, yellow daffodils, ferns and other flowering plants.

The bride was attired in a winter white tulle full length dress and adorned with a shoulder length veil topped with a white clouche hair studded with rhinestones. She carried her mother's white Bible with a lover-knot streamer, topped with a cascade of white feathered carnations and red sweetheart roses. Her only jewellery was a three-strand pearl necklace, bracelet and earring set, a gift of the groom.

The bride was attended by her sister, Mrs. Lloyd Krueger of Calgary, dressed in a pale blue tulle gown, with pink accessories, and carrying a nosegay of pink roses with blue carnations.

The groom was attended by his brother, Benny.

During the signing of the register Mrs. Kenton Gillrie of Calgary, sister-in-law of the groom sang "Because." Organist for the ceremony was Mrs. Frank Knuffman of Didsbury. Ushers were John Ringheim and George Gillrie.

The reception was held at the home of Mrs. A. Marsh, east of Calgary and was attended by 48 guests.

Following the reception the bride and groom left for a honeymoon in Calgary, Lethbridge and points in Montana.
